

ACTIVITY 1 IMPACT REPORT

'We are Friends' is a collaboration between [The Together Project](#) and [Chit Chat Pitter Pat](#) funded by [Waltham Forest Council](#).

This joyful intergenerational project highlights the importance of building meaningful relationships across different generations. It supports a culture of multi-age shared learning with a strong focus on storytelling.

52

residents from 5 care homes

65

(approx)

nursery and reception year pupils from 5 Early Years settings

"We used Kind Khalil to talk about how we all look different and the importance of being kind and respectful to each other."

- EYFS staff

all EYFS agreed that the activity: **developed communication and language skills**

Early years settings rated their children's enjoyment of creating and receiving the paper plate portraits as

5 out of 5

"Look, you look like me, I have brown hair like the lady - can we go to their house?"

- Child participant

"Some residents looked at what they made & couldn't believe they were able to make it. They were proud of what they had done."

- Care Home Activity Coordinator

100%

agreed with the statement:

"We Are Friends brought happiness to our setting/care home"

The information above has been collated from 5 care homes and 2 EYFS settings. For more information please visit: [We Are Friends is One Activity In, Here's the Tale So Far](#)
